If none, 2011 Summer league average, or highest current league average of 21 games or more whichever is highest. If none, the bowler will bowl scratch. **Bowlers utilizing their current average must provide verification of average prior to tournament play.** Individual averages must be based on a minimum of 21 games in a USBC league. **Handicap is based on 80% of 220.** All bowlers with averages 219 or above will bowl scratch. The maximum handicap for this tournament is 50 pins. USBC Rules 319a, 319b, 319c and 319d shall apply. Averages Established in USBC leagues which start its schedule after March 15 for the summer season shall be accepted as official, provided the bowler does not have an acceptable regular season average. A bowler who does not have an acceptable average under tournament rules will bowl scratch. When the previous season's average is used, and at the time of bowling an entrant has a current average of 21 or more games that is 10 pins or more higher than the prior season's average, the current average must be used. A bowler shall adjust his/her entering average if, during the 12 month period immediately preceding the time and date of bowling, the bowler's accumulated average for all, but not less than 21 tournament games, exceeds the average to be used for entry by 15 or more pins. In that case, the accumulated average must be used for handicapping or classification purposes. A bowler whose tournament scores require an adjustment must submit the adjusted average in writing before the end of the first game in a tournament, unless tournament rules allow for such adjustment to be made with in a specified time after bowling. Failure to use the adjusted average in accordance with the foregoing is cause for forfeiture of entry fees and prize winnings, and the bowler is subject to suspension of membership in USBC. Bowlers are responsible for verifying their averages, whether submitted by the bowler or others. If the submitted average is lower than required and results in a lower classification or more handicap, the bowler's score is disqualified. If the submitted average is higher than required, prize winnings will be based on the submitted average. This tournament is governed by U.S.B.C. Rules. Score corrections must be made by tournament management. Spectators will not be allowed in the bowling area. Protests and appeals must be in writing briefly stating the grounds for the protest or appeal. A protest involving eligibility or playing rules must be filed with tournament management and before tournament prizes are paid. The Tournament Director will settle all disputes. The decision of the tournament director shall be final unless an appeal is made in accordance with Rule 329d.
